

Hey There!

This fine art print download is a gift to show appreciation and spread creative joy. It's 5"x7" centered on 8.5"x11" letter paper to make it easy for printing. The media I used is colored pencil and it's called "Summer Hibiscus." I hope you enjoy it!

If you would like to connect or share how you styled this lovely art print in your home, you can tag me on Instagram @HuesOfHeather_Artwork #HuesOfHeather

Warm wishes from sunny Florida,

Heather Furman
